Expressway Trucks Update

Holiday Hours — Happy Victoria Day!

All four of our Expressway Trucks locations will be **closed** on **Saturday, May 18th, 2024** and **Monday, May 20th, 2024** for Victoria Day.

Our regular hours will resume on **Tuesday, May 21st, 2024**. We hope you have a fantastic long weekend!

Expressway Waterloo Update

Expressway Trucks Sales Blitz

Earlier this month, Expressway Trucks Waterloo participated in a sales blitz alongside some of our colleagues at Volvo Trucks, visiting businesses all around the region to introduce ourselves and attach some friendly faces to the Expressway Trucks name.

We had seven teams in total, consisting of staff from our parts, service and sales departments, who hit the road bright and early. All in all, we thoroughly enjoyed speaking with many new people, as well as familiar ones. Thank you to the members of Volvo Trucks and the Expressway Trucks Waterloo team who participated, and made this blitz such a success!

Hino 2023FY Skills Competition Finalists

We are very excited to announce that Expressway Trucks Waterloo will be represented by three of our highly skilled team members at this year's Hino skills competitions!

First off, would like to congratulate one of our very talented 310T Technicians here at Expressway Waterloo, **Jamie Ozard**, for making it as a finalist in the Hino Service Skills Competition! Jamie is one of six finalists who will compete head-to-head at the HMC Training Centre in Mississauga in June, where he will complete several different challenges including on truck diagnostics.

We would also like to congratulate one of our incredibly talented Parts Advisors here at Expressway Waterloo, **Adam Sitek**, for making it as a finalist in the Hino Parts Skills Competition! Adam is one of six finalists who will also be competing in a head-to-head challenge at the HMC Training Centre, which will consist of several different sections including a written test, team challenge, lightning round and video relay.

Lastly, we would like to congratulate one of our highly talented Service Advisors here at Expressway Waterloo, **Chris Hale**, for being chosen to participate in Hino's first ever Service Advisor Skills Competition! Chris is one of five finalists who will be competing in a head-to-head challenge at the HMC Training Centre this June, which will also consist of several sections such as a written test, team challenge, lightning round and video relay.

We are extremely proud of the members of our team for their achievement of obtaining a spot in their respective skills competition, and we are excited to cheer them on when they compete this June. Good luck guys, we're all rooting for you!

Tell Us How We Did!

If you've purchased product or received service from any of our four Expressway Trucks locations this month, fill out a **customer satisfaction survey** and tell us how we did!

At Expressway Trucks, we make customer satisfaction a top priority, which is why we use any and all feedback to improve our services in order to better serve our customers. Fill out a survey by clicking on one of the links below. We hope to hear from you!

Expressway Trucks Sales

Customer Spotlight — Peel Meat Packers

We are very grateful that Peel Meats has trusted us with their business, and we're excited to deliver the latest addition to their fleet!

Established in 1991 by Leroy B. Martin, Peel Sausage Inc. is a family-run business managed by Delmer Martin, his father Leroy and brother Philip Martin. The company raises its animals with the highest level of care, and provides custom processing for slaughtering, chilling, and aging beef, veal, lamb, and goats.

Peel Sausage has three important pillars that work together to create the delicious meat that is on your plate:

1. Overseeing the operations in raising the animals they slaughter.
2. Managing the production of the crops that are used to feed those animals.
3. Directing the manufacturing of the feed for the animals, as well as partnering with family farms that raise animals on Peel Sausage's behalf.

They also supply many small town local butchers and grocery stores, and are continuing to grow!
